Literacy updates:

Our current unit of study is a geography unit on maps. It is a short unit and will wrap up right after spring break. If you are headed out of town, be sure to show your destination on a map!

Book bags are going well. I recently updated reading levels so these books should be at a comfortable level for your child. Keep up the great work at home. It makes a difference! Remember, one reader's response per week is fine!

Carnival raffle basket donations:

Our second grade room is responsible for the themed basket: "WEEKEND FUN!/STAY-CATION" Please send in donations pertaining to this theme. Some examples include: Dvd's, board games, outdoor games, activity passes (trampoline park, arcade, water park, etc.) event tickets or gift cards for pizza, ice cream, or a even dinner and a movie! Be creative!

Please send all donations with your child by April 24th! No pressure, but...the classroom that brings in the most tickets wins a class pizza party!
